

Don't do a Number One in here

### STAY// Number One

As Blackpool's first boutique B&B, Number One is a wake-up call to hoteliers all over the city, and indeed the country. Sumptuous bedrooms with 21st-century facilities (widescreen TVs in bedroom and bathroom, PlayStations and jacuzzis) are well complemented by the friendly welcome and attention to detail paid by

owners Mark and Claire Smith. A wide choice of breakfast options, including an exciting champagne hamper left outside your door, just add to the special atmosphere – there's even a small putting green outside. Ahead of its time and highly recommended. Double rooms start at £50 per person.
